

GREAT NEWS!

SINGLE-STREAM RECYCLING HAS ARRIVED

and now it's easier than ever to be green! No longer do you have to separate paper from plastic bottles, metal and glass—just mix all your recyclables together! It's that easy to recycle with the new, no-sort system called "single-stream recycling."

New Recycling Guidelines

**Starting
July 1**

What types of recyclables can I mix together?

You can mix paper, plastic bottles, metal and glass:

PAPER AND CARDBOARD PRODUCTS: Newspapers and inserts; magazines; catalogs; telephone books; office paper, mail and junk mail; cardboard boxes, cereal boxes and tissues boxes (flatten all boxes for the best use of space).

PLASTIC CONTAINERS: Plastic bottles (neck narrower than body) (rinsed, and without caps or lids). Do not include bottles that contained hazardous materials such as paint, motor oil or pesticides.

METALS: Containers made of steel, tin and aluminum (please rinse).

GLASS: Glass bottles and jars—all colors (no caps)

What items cannot be recycled at curbside?

* Scrap metal	*Antifreeze	Toys
* Electronics	Plate glass/mirrors	Styrofoam® (restricted)
* Tires	Coat hangers	Plastic bags
* Florescent bulbs	Dishes and paper plates	Extension cords
* Latex paint	Holiday lights	Planters
* Mixed plastics	Light bulbs	Waxed paper
* Propane Cylinders	Hoses	Food waste
* Rechargeable/Auto batteries	Yard waste (grass clippings, branches, leaves)	
* Used Motor Oil & Filters	Containers stained with food	
* ITEMS THAT SHOULD BE RECYCLED AT DROP-CENTER. 401 SW 4 ST	Any bottles or containers that held hazardous waste	

How do I prepare my recyclable materials?

Please empty, rinse and remove lids from all containers.
