Subject: Meeting to discuss landscape along SW 10th St.

Carl,

We would like to meet with you and any other city representatives that you consider might have input as to proposed new landscaping along SW 10th St. as part of our resurfacing and widening project. We would also like to get input on the construction of a sidewalk on the north side of SW 10th St. between Powerline Rd. and Military Trail. Please let us know what dates you have available after the first week of January. We can conduct the meeting here at District IV Headquarters in Ft. Lauderdale or a location of your preference.

Sincerely,

Humberto Arrieta, E.I.

Charlie, this needs to be on the next agenda for discussion and direction. It would be good if FDOT could be present. Call me this morning. Thanks.
